Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr Vivenzio requested clarification of objection to drawings on office action summary of action mailed 14 March 2007 since no objection was noted in the action. Examiner advised form paragraph 6-22 was unintentionally omitted. Minor informalities regarding drawing figure 3 (multiple annotations directed to same region) and drawing figure 4 (multiple annotations directed to same region) were noted. Mr Vivenzio indicated that formal drawings would be submitted.
